Our Mission

To offer life-saving recovery tools for adults suffering with addiction or co-existing mental health and substance use disorders to achieve individualized recoveries.

Your Financial Gift Will Change Lives

“In a 12 step-meeting, someone suggested that because I am a Veteran I might be able to get help for treatment through the VA. Within two days I was admitted for in-patient treatment at 12 & 12.

The dedicated staff of 12 & 12 is absolutely amazing and the help provided by them is *transformative* if you are willing to accept it. They gave me so many useful tools to use in my recovery. Actually, I call them WEAPONS of recovery, because I am fighting a war and those amazing people have helped arm me for battle. They gave me a whole arsenal to work with and I find that I use various weapons taught at 12 & 12 on a daily basis.

I am very pleased to say that my sobriety date is March 8, 2010. Today, I lead a full and happy life.”
